A few changes for next year's calendar of events. Be sure and check the calendar for date/location changes of the General Membership meetings. Some meetings have been scheduled on a Tuesday if the Friday meeting precedes an event like WOT or Sportsfest. The only meetings to be held at Goldsby Community Center will be in January, February, March, and December of 2021 pending Covid status. April through November will be held at the TCGC pavilion.

Calendar shows the monthly matches to be open to the public. We will continue to have a "closed gate" policy in 2021. Match directors need to coordinate with their participants to gain access.

President's Report

Hello Members!

How about that cold snap? Hope you all did not have too bad of a time with it. There have been more people wanting to join the club and we do have openings. There are regular spots open if anyone has three years as an associate?

With warmer weather, I will be installing the muzzle limiting devices on the long-range shooting tables. They are not to be removed.

I have been going through the drawings from the Range Source Book to get the ones we need to the engineers to make footing drawings the correct size for the soil type we have. Will inform you when they are done.

It looks like the first day after the snow melted the Monday night trap shooters took out their frustration on the clay birds and had a great time shooting them.

In the last week there has been some tree clearing and gravel moving to allow access to set a connex for the sporting clays area, more trees to cut down for OEC's power line.

On another note, I saw some ammo online, 1000 rounds of 223 only \$1.10 per round. This will slow down your trigger pull.

Below is the Oath the United States Senate must swear to.

I do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter: So help me God.

(United States Senate, 2021,

https://www.senate.gov/artandhistory/history/common/briefing/Oath_Office.htm

(United House of Representatives, 2021

<https://history.house.gov/Institution/Origins-Development/Oath-of-Office/>)

Are some following what they have sworn to? I think not. They falsely swear freely, they do have mental reservations, and their intent is purpose of evasion. Let us see what happens when they keep admitting this by the actions they take. Follow up next month.

Thank you all for being members and supporting your club.

Vice President's Report

Despite the year of the COVID, the Friends of NRA still had over \$100,000 to distribute to grant recipients in Oklahoma this year. I am proud of all the Oklahoma Friends of NRA committees for raising the funds. Our new Friends of NRA Representative, Tyler Kirby, did a great job at the State Meeting and was very positive about 2021 and the future of NRA. Friends of NRA is a standalone company that provides over ½ the profit from our local banquets back to the state FFA, 4H, and other community shooting sports events. Now more than ever your help is needed to promote gun safety, education, and 2nd amendment rights. Below are some online resources:

- www.nra.org
- <https://www.facebook.com/WillesLeeNRA> (1st VP of NRA)
- www.nraforward.org
- <https://www.nraila.org> (you can follow Oklahoma updates)

Use smile.amazon.com (instead of amazon.com)

Pick "The NRA Foundation, Inc" as your charity Part of your purchase will go to the Friends of NRA!

Do you believe in keeping our 2nd Amendment Rights? The future and supporting new shooters is key!

Safety Report

Greetings Tri City Gun Club Members,

Covid19: As we begin our 2nd year of Covid19, we may be starting to see the light at the end of the tunnel with the vaccine rollout. However, just remember, even if you have been vaccinated you can still contract and spread Covid19. Don't let your guard down, continue to follow Covid19 safe practices; wear your mask and social distance. The range remains a great place to get outdoors and relax.

Be safe and shoot straight, make sure your bullets impact the backstop.

Maintenance Report

Workday schedule:

- March 20, 2021 at 0800 to 1200
- April 17, 2021 at 0800 to 1200

When you come out to work social distancing will be observed. I suggest you bring your mask.

When you come to the range, I suggest that you check the calendar, and when you arrive at the gate please look at the range board to see the open-close status of the ranges.

If you come up to the gate after a member has gone through the gate and you put the gate code in thinking it will keep the gate open and start to drive through, the gate will close on your vehicle as you do because you gave the gate a command to close.

If you plan to attend a scheduled workday, I ask that you notify me by phone/email/text. If you do not have a computer call me and leave a voice mail. This will help me plan the work. If you want to work other than scheduled workday, call or email me. Plenty of work.

**The speed limit starting from the cattle guard thru the range is still 10 mph.
This is your range, please do your part. Stay safe and wear a mask.**

Executive Meeting Minutes – February 18, 2021

1. Meeting called to order at 6:30 PM.
2. The previous meeting minutes were accepted.
3. The Friends of the NRA state meeting will be held in Norman, due to weather concerns.
4. Automation was discussed. A simplified workflow was provided for review. Applications will begin using an application period with a start date and a cut-off date. This will allow NRA credentials to be checked one time, instead of several times.
5. Some people have raised concerns regarding not receiving their badges. Those cases have been addressed.
6. An addition of a concrete pad for additional handicapped parking was discussed. A cracked section will be replaced during the installation. We will request that the slabs be reinforced to allow being driven over without breaking.
7. Brass sorting was discussed. A member has shown interest in having access to the brass in order to clean and resell it at gun shows. Currently members are allowed access to take what they want for personal use from the Stat-house, as the barrels are emptied each quarter. Members are encouraged to donate a dollar per pound. Ken takes the excess to be recycled. We are currently getting very little brass.
8. New member orientation and range tours were discussed. Some new members have not completed all of the requisite steps to be added to the roster for the orientation and range tour.
9. The OU trap cannot get ammo. We have a lot number 7 shot that is left over from a grant and is about five years old. We will donate five cases of 12 gauge and two cases of 20 gauge.
10. Board members were very satisfied with the virtual general member meeting. The PowerPoints and random drawing tool went well. We expect the March meeting to be online as well.
11. The meeting was adjourned at 7:11 PM.
