President's Report

Club Members,

To start somewhere it looks like "our community" needs to attend their local city and school meetings to keep informed on what they are promoting. Only when we become reactivated by the things that are happening in our country today will it be possible to have enough people working together to make

changes. When people sit back and say or do nothing, those that are talking think you agree with them.

With a footing for the large blocks to set on, the wall between the pistol and rifle ranges will now be at least 8' tall. Club members helped do this project using club equipment. Thanks to them all.

Now is the time to start getting your work hours in, October renewals will be here quicker than you realize. If you want to sign up to work, go to tcgc.us, click on the Calendar to see what is available. For those not available on designated workdays, it is also possible to work during the week on projects. You are not limited to volunteering your abilities to help keep TCGC improving your shooting experience. This is similar to the above statement; some things would not exist or be sustainable if people do not stand up and be heard for their freedoms they have assumed would always be there.

Think about it

Vice President's Report

We had a great Gun Club Meeting at the Range Pavilion on April 6th! I look forward to seeing more of you at the next meeting! The Virtual meeting will also be available.

I am very excited to see all the improvements on the range! Your help is needed for some repairs and maintenance! Watch for special workdays coming up or pick a project and time and we will see that you have the equipment and supplies needed! Do you have a shooting group? Organize a mini-work day! We need coordinators and workers!

I will be calling on painters soon! Workday sign-ups will be available on the website! Let us know you are coming. Since Bill is retired, the Board is working together to coordinate maintenance. HELP!!! Check out the projects page!

NEED YOUTH SHOOTERS! Do you have neighbors, kids, grandkids that want to shoot shotgun? Bring them out, 2nd and 4th Thursdays of the month! Sign up available on the calendar.

Scheduler's Report

Calling all Members!!!!

Sometimes retirement comes too early.....

Our beloved maintenance director and most dedicated life member Bill Hutcheson has retired from TCGC as Maintenance Director. Bill will be missed, as well as his most trusted companion and TCGC watchdog, Angel.

"Please, appreciate what you have, before it turns into what you had." I hope Bill & Angel will continue to hang out with TCGC as gun loving free spirits, shooting guns and enjoying life.

Looking for members to step up and have a great time getting things done while showing off a few skills and eating some good food!!

Workdays are scheduled and need much help. Here is a summary...

- Workdays are scheduled for the 3rd Saturday each month unless there is an event.
- May 15th workday will be from 7am to 11am. Coffee and donuts will be provided.
- June 18th workday will be on a Friday afternoon from 4pm-8pm. Come join the fun. We will have pop and pizza for the workers!!
- Things we do on workdays are
 - Build new target stands
 - Clean/stock restrooms, stat house, & pavilion
 - Weed eat ranges & buildings
 - Pick up trash on ranges
 - Equipment maintenance
 - Paint
 - Weld
 - Empty trash cans
 - Various projects

Besides making your gun range look great and operate smoothly you will make new friends to shoot with and maybe even learn a new skill.

When you are at the range and you see an overflowing trash can, burned out bulbs, empty paper towel/toilet paper dispenser, target stands left out, or anything out of place, take a minute and make it right or contact a board

member to address the issue. As Bill always stated "It's your range, do your part!"

A big thanks to Ken West and crew for taking on the Shotgun fields for the summer!!

Safety Report

Greetings Tri City Gun Club Members,

Where do your bullets go? The picture below depicts bullet impacts in the Pistol Range backstop above the steel targets. What is troubling to me, is these bullets (more than one) are within two feet of the top of the back stop. I have always taken the position that bullet impacts must be the lower 2/3rds of the backstop and there is signage on the Pistol Range to that effect. These are obviously in the upper 1/3rd and what is also concerning is they are above the steel targets and there are 4 or 5 impacts. My review of the video suggests they were fired on Thursday, April 15th around 12:30PM by an individual who was kneeling at the shooting bench and shooting up at the target 10 yards away. This shooter did not make sure his bullet path was parallel to the ground. This is unacceptable as shooters must always know where their bullets are impacting. If they go over the top, the shooter can be held criminally negligent and financially responsible for any damage that their bullets may do.

Target Placement of the Pistol Range: Members are reminded that targets should not be placed in front of the gongs (steel targets) on the Pistol Range. This creates an unsafe shooting situation, not to mention it denies other members the use of gongs.

Range Improvements: During the month of April, we added two handicapped parking spaces in front of the Pavilion and rebuilt the wall between the Pistol and Short-Range ensuring the wall is at least eight feet tall per the NRA Range Source Book.

Upcoming Events: As we move forward with Covid19, we are looking to the future and scheduling events. The following is a quick list of events on the horizon:

- Family Day and Swap Meet, June 19th

- Youth Hunter Education Challenge, August 7th
- Oklahoma Hunter Education Clinic, September 18th
- Boy Scout Camp and Shoot, October 2nd.

Many of these events require club member volunteers as helpers, coaches, RSOs, Range Masters etc. They are an excellent opportunity to complete 2021 Workhours. Look for additional information in future editions of the Hangfire.

If you have any questions, please give me a call or send me a note.

Be safe and shoot straight, make sure your bullets impact the Backstop.

General Meeting Minutes – April 6, 2021

1. The meeting was called to order at 7:01 PM by Mark Eriksen.
2. There were 20 members present at the pavilion.
 - 2.1 There were also members present via Google.
3. The previous meeting minutes were approved.
4. The Chief Range Safety Officer reported...
 - 4.1 32,000 lbs of lead removed during lead remediation.
 - 4.2 New handicapped parking is currently under construction at the Stat House.
 - 4.3 The Pistol range is closed while the concrete slab is being poured and cured.
 - 4.3.1 it will be closed for at least 2 weeks.
 - 4.3.2 Open date TBD.
 - 4.4 Don't put paper targets in front of the steel targets.
 - 4.5 Brass recycling is gathered at the end of every quarter, it is put in the stat house for those who would like to recycle.
5. The Vice President reported... Jamie read a kind email from a new member :)
 - 5.1 May 1st there is a battle rifle match, rules are on the website.
 - 5.2 A TCGC junior member is going to the national rifle competition.
 - 5.3 Friends of the NRA raffle is still going.
 - 5.4 The Friends of the NRA banquet is on June 5th.
6. The Scheduler reported... The skeet and trap fields are all working well.
 - 6.1 We will break ground on the new range, hopefully, by the end of the year.

- 8 There was a raffle.
- 9 The meeting was adjourned at 7:20 PM by Mark Eriksen.

Executive Meeting Minutes – April 14, 2021

1. The meeting was called to order at Time 6:35 p.m.
2. The previous meeting minutes were approved.
3. The Friends of NRA Request right for help with Cleveland county, Tyler Kirby is handling the banquet. Shawnee and Cleveland County banquets are on the books. \$1500 per committee is planned. We need to add Shawnee. We will talk to Ron Milligan. Newcastle has closed down.
4. The Chief Range Safety Officer reported that inventory is complete.
5. The sidewalk is complete, but sod needs to be placed. Yellow lines need to be painted. The bill has been submitted to Woody.
6. The pistol range is open. Short rage will be closed until the wall is up.
7. There was talk about fertilizing. Atlas Greenlawn gave us a bid for \$18, 284, which is 7 applications or \$2612 per application for approximately 10 acres. The Oklahoma Department of Dept of Agriculture said that we can apply pre and post emergent weed killers as long as they are not restricted. If restricted, we would need to be licensed. The club owns the equipment necessary to keep up our ranges and there are chemicals on hand. Most of the fertilizer is granular. Restricted chemicals cannot

not be purchased without a license. Much of the information regarding how we proceed in the past can be found in the maintenance records. Tara will take the lead on research. Once the questions are answered we will look at the best way to move forward.

8. Scheduling for the summer was discussed. Amil wants to do an event May, 22nd and Camp and Shoot on October 2nd. Hunter Ed September 18th. YHEC August 7th. Workday 18th Sept. Adult Air Rifle first Saturday.
9. Club purchasing a single or double axle trailer was discussed.
10. The need for sod for the long range was discussed. We will need to identify where we need it. The company does not want to talk for less than 5000 square feet.
11. The Secretary reported that we have a workday coming up and we need to get people more involved. Ken will organize. Bill will share more information with Ken.
12. Bill will let the board know when the RV will be removed. He expects it to be soon.
13. Norm Tooley noted to Ken that he was impressed with the work on the long range.
14. The Treasurer reported that we have submitted everything to the accountants.
15. Everything is switching to the google drive, as previously discussed.
16. There was discussion over ongoing work opportunities. It was suggested that members could take on regular range tasks for their work hours. A bathroom cleaning and maintenance team was suggested as an example.
17. Splitting up work per discipline was suggested.
18. The meeting was adjourned at 7:32 p.m.
