Ladies Day

Inaugural "Ladies Day" was a huge success! Lots of great information and training shared with 54 ladies. Demonstrations and practice included: Pistol, Shotgun, O.C. Spray and holster class.

Ladies Day from the Air - Watch [Here](#)

A Big Thanks to Jon Nelson, owner/pilot of Limitless Sky Media for donating his time and skills to this event!!

Swap Meet and Fun Shoot June 18, 2022!

Saturday June 18, 2022 - 9am-3pm

Register to let us know you're coming!!

Chicken Provided!! @ 11:30

Potluck Sides & Desserts

Swap Meet from 11a-1p

*5-Stand

*Skeet & Trap

*.22 Shoot

*Archery

All Ranges Open

Board Meeting June 16, 2022 at 6:30 p.m.

Tri-City Gun Club Stat House

Let Us know if you plan on attending. scheduler@tcgc.us

June/July Schedule

Event details can be found at www.tcgcs.us . If you have any questions or would like to schedule an event, please contact Tara Nelson at scheduler@tcgc.us or call/text 405-664-6549

We have had several requests for another Chili Cook Off. If interested, please drop a line to scheduler@tcgc.us and let us know what you think. The last cookoff was huge with 18 entries!!

President's Report

Take the time out of your busy schedule to find and watch 2000 MULES a short and informative movie

that is about our freedoms. This is all I have because it is the most important.

Enjoy yourself while at your range.

Mark Ericksen

pres@tcgc.us

Vice President's Report

YOUTH SHOOTING SPORTS!

Archery, **22 rifle** and shotgun

Pick your event!

Join us June 9 and/or June 23rd

6:00 p.m. to 8:00 p.m.

NEW THIS MONTH 22 RIFLE FOR THE YOUTH!

Youth 10-18 years old.

Gary Leoffelholz and Hazen Bazinet coaching 22 rifle.

NEEDED: Buy, trade or donate a Remington 1100 Wingmaster to the youth program for future events. Contact Jamie!

NEW ONLINE DONATIONS ACCEPTED: Donate Clay targets to the youth group. www.tcgq.us "Store"

CONGRATULATIONS JOSHUA!

Very excited for one of the program's Youth Shooters - Joshua Weiland. He learned to shoot shotgun with the youth

program over 5 years ago. Upon moving to Washington, he continued to compete in the sport. He shot 95/100 and won the Junior ATA Championship in Washington! I am very proud of Joshua!

Jamie Schmidt
vp@tcgc.us 405-620-6977

Range Maintenance

Workdays this summer will be random. We will schedule around events. Please check the calendar for dates or contact maintenance to schedule your work hours or register online.

Check calendar and entrance for range closures. Some closures may be unannounced with intention of being very brief.

The Short Rifle Range backstop will be getting maintenance. The schedule of short rifle range closures will be pending weather and the availability of materials. There will be unexpected closures for the delivery of materials and earthwork.

New parking stops will be installed in front of shotgun ranges very soon.

****Long-Range Targets**** Please do not move the large target boards (100yrd) on the long-range. They have been staked.

****Shotgun Patterning Board Located at Hand Thrower Area****

Shooting at the hand thrower area is to take place at the covered area, using PVC shooting stands, and shooting downrange. **NO SLUGS.** If you are unclear of what down range is, please, pack up your guns and go home.

Notice-For the safety of the members and their guests and as a courtesy to all, please clean up after yourself if you have an injury or accident. Bloodborne Pathogens can cause several serious and potentially fatal diseases. The bathrooms have cleaning supplies available in the cabinets.

*****This message applies to the clean-up of the men's restroom toilet area. Several members have reported to the board the men's restroom condition and deemed it to be a health hazard. Restrooms found to be unsafe will be condemned until they are detailed and rendered safe to the public. Your splatter matters....**

NOTICE!! 10MPH or less Please. Volunteer workers, shooters (especially archery), and the vehicle behind you don't want a huge cloud of dust in their face or settling on their firearms and vehicles. Please slow down to 10MPH or less. Observe the cloud of dust behind you.

Do not stop at the gate when entering the club. If you stop and wait for the gate to close, when you proceed, you will trigger gate to reopen. Do not stop and block a car from following you in. Wait to identify membership after parking on range.

NOTICE on Target Placement & Cost of Materials Pistol & Short Rifle Range

One Target Centered
Never attach paper targets over or near the wooden sides of the target stands.

Randy Grotts 405-820-4707**

Tara Nelson 405-664-6549**

maintenance@tcgc.us

Safety Report

I hope you've been able to get out and safely enjoy your range.

RSOs for Member Requested Events: We hosted two member requested events in May – one for Trail Life Youth to work on their shotgun badges, one for Veterans Marine Corps League to shoot a pistol match. Thanks to several RSOs who volunteered their time and experience to help with these events.

Range Safety Officers: Ken will be teaching a third RSO course in June for last 10 volunteers on waiting list. I will continue to maintain the list for future course, perhaps in the Fall, so if you are interested in certification and wish to help the club for events, please let me know.

As always shoot straight, place targets at a height so that bullets impact the lower 2/3rds of the backstop. Use and be aware of the red lights. Always be deliberate in your actions with firearms. If you ever have any questions, issues or concerns about safety feel free to contact me.

Hazen Bazinet

Chief Range Safety Officer

405-355-2136, CRSO@tcgc.us

Claybreakers

Looking forward to a busy summer on the shotgun fields!!

Whoever has the shotgun training DVDs, please return them to the stat house.

5-Stand will be open for Fathers, Family, & Fun Day on Saturday Jun 18. Shooting will start around 9. \$6 member/\$10 guest.

****Shotgun Patterning Board on Informal Shotgun Range****

All shooting at hand thrower area is to take place at the covered area, using pvc shooting stands, and shooting downrange. If you are unclear of what down range is, please, pack up your guns and go home.

****Please remember to clean the houses after use. When we find the skeet houses/traps trashed with broken targets and such, we disable that field until they are clean.**

CLEAN-UP IS A MUST

All chairs belong on patios, not middle of trap field. Shell buckets must be emptied before you leave. Skeet & Trap houses/machines must be kept clean. Members shooting at the hand thrower area need to put all boxes, hulls, and trash in dumpster. Show pride in your range, clean up after yourselves, and avoid range closures.

BREAK DOWN ALL BOXES & PUT IN BLUE DUMPSTER!!

For more info contact

Tara Nelson

General Meeting Minutes – May 3, 2022

1. The meeting was called to order at 7:05 p.m.
2. The previous meeting minutes were approved.
3. The Treasurer and Member at large were unable to attend, and no reports were given.
4. The Vice President commented that lots of kids were present for Thursday night's youth shotgun. However, there were no NRA grants this year, so she is holding a raffle of an AR15 to raise money to purchase targets.
5. CRSO reported that a gun was left on the range and subsequently returned to its owner. He further commented that if you find a firearm to contact him or another board member who will take charge of the weapon. It will be returned to its owner upon verification of the serial number.

6. Shooters were reminded to place targets in the center of the frame and to not shoot the frame. Frames cost money to replace. Shooters may bring their own cardboard targets and place them at the berm if using a shotgun on the long range.
7. It was noted that a person using the shotgun patterning board was aiming in the wrong direction, toward the conex. If the safe direction is not clear, ask for assistance.
8. Danny Thompson will be hosting Marine Corps veterans on April 21. He commented that other dedicated groups are coordinating shooting activities.
9. The scheduler reported that we have 60 ladies signed up for the club's upcoming women's shooting event. She mentioned they can use some help setting up. Contact Tara if you can assist.
10. The Maintenance Manager reiterated putting targets in the middle of the frames and taking care not to damage the frames. He also suggested that shooters may turn off and/or move the sprinklers if they are a hindrance. However, please remember to turn the sprinklers back on and put it back when finished.
11. Ken Anderson stated that YHEC is being planned for August 6 and he is working on staffing.
12. Simm Rudnick commented that we had 15 kids for last week's youth archery class and the kids had a ball shooting 3d targets.
13. There will be a battle rifle shoot on July 16. Unlike previous events ARs will be permitted but must have iron sights only, no optics.
14. The meeting was adjourned at 7:18 p.m.

Officer Meeting Minutes – May 19, 2022

1. The meeting was called to order at 6:30 p.m.
2. The previous meeting minutes were approved.
3. Maintenance of shotgun carts and other discipline equipment was discussed. Each discipline is expected to perform maintenance on discipline specific equipment.
4. Email addresses for match directors/disciplines are necessary for timely communication. We can develop distribution groups that correspond to generalized email addresses.
5. Financials are ready to be posted.
6. The range rules were discussed. Updates were posted to the Hangfire. No negative feedback was received. There is interest in breaking the range rules into administrative rules and range rules. This will help to ease review of the rules.
7. We are increasing the size of the upcoming RSO class but are also breaking it up the instruction from one session to two.
8. Ladies' day was discussed. Some feedback was provided, and suggestions were made for future events.
9. Insurance coverage is being updated.
10. Upgrade of spouses to regular and life members is ongoing.
11. The club is moving toward rolling renewals.
12. Electronic waivers are under consideration.
13. There was a brief discussion regarding tomahawk.
14. Member concerns regarding the use of members' email addresses for non-club business were raised. The board discussed and reaffirmed the club's policy regarding the security and privacy of club data and specifically member data. Club and member data shall not be retained or used by any party, member or not, for any purpose other than expressly authorized club business.
15. The club is seeking a 20-gauge youth size semi-automatic shotgun. Members are encouraged to donate a Remington Wingmaster 1100.
16. The meeting was adjourned at 8:14 p.m.

Tri-City Ladies Defensive Training Day Recap

The Tri-City Ladies Defensive Training Day that the club hosted on May 7, 2022, was a huge hit. The event had originally sold out within the first 30 days of registration opening and we then set up a waitlist due to the demand. We did have a couple last minute cancellations but ended up with a total of 54 women in attendance out of the 60 slots.

This event included 4 training blocks throughout the day and included lunch from Rays BBQ. The training blocks for the ladies included defensive handgun, home defense shotgun, pepper spray, and a holster clinic at the end. The ladies really enjoyed all of the hands-on training, explanations from the instructors, and especially the scenarios for the managing unknown/unwanted contacts portion. We have had a ton of positive feedback from the women that said that the trainers were very professional, and they are very eager to have us put another event together with more training options.

Overall, I think the club made a great decision in offering this type of training to our community. I did hear several of the ladies saying that they learned more at this event than they had in years at other events. That is HUGE in my book, especially with as many events and training seminars I attend every year.

We were lucky to get some drone footage as well as professional photography that can help us promote more events in the future. Additionally, we had several door prizes donated which that included \$1000 worth of gift certificates from Hunters HD Gold, an AR-Lower from Cold Hand Arms, \$100 gift certificates from Flashbang Holster Company and Keepers Concealment Holsters, Colt hats were provided by Shoot Like a Girl, ammo from Choctaw Archery & Guns, targets & inert water-based POM spray was provided by TCGC. We also had a local donate some very nice Harley Davidson safety glasses and ear protection and lastly, several of our instructors in attendance donated a handful of classes and private lessons.

I do want to extend my sincere thanks to Tara, the volunteers, and staff at TCGC. I know Tara and I put in countless hours, and we had a lot of late-night conversations trying to get all of this put together in such a short amount of time. I think overall that we did a phenomenal job!!

The TCGC staff and volunteers played a big role in this event being successful as well and I do appreciate their time and willingness to help. I hope to help make this event even better next year!!

Sincerely,
Jamie Meyer
