HANGFIRE

TCGC REGULAR MEETINGS:

TCGC Regular Meetings
7:00 p.m. Tri-City Pavilion

TUESDAY, August 2, 2022
FRIDAY, September 2, 2022

Club Meeting on Tuesday! See you at the Range!

MILITARY PISTOL/REVOLVER/22 MATCH , 25 yard match!

This match is open to the public on the 4th Saturday Monthly. Summer 7:00 am set-up

Cost \$5 for each match

Checkout the Website for more details!

You only need 60 rounds for the Military Pistol, 50 Rounds Revolver & 30 Rounds of PCC for 22!

FYI: Spotting scope helps!

First timers free! Come and have fun! Shoot what you have!

Check out this opportunity to fellowship with club members and have fun shooting!
Look under "Range Info" "Monthly Shooting Events" for more opportunities to shoot with others!

YHEC Cancelled. Not enough participants and too hot!

Need Hunters Education?

Join us for hands on Course on
September 17th!

Sign-up at the Department of Wildlife
for Oklahoma

The club was saddened to hear about the loss of two of our life members.
Bill Davis and Geraldo Dalto.

President's Report

Hello Club Members! Help Spread the word to Support those that are working hard to protect your freedoms. If WE don't, none of us are going to be free. Be safe and do not shoot anyone (accidentally).

THANK YOU!!!! to all those that help keeping TCGC working smoothly.

Mark Ericksen
pres@tcgc.us

Vice President's Report

As part of the Tri-City Gun Club continued improvement plan and in the 2023 Proposed Budget, proposing 2 handicap parking spaces at the Long Range at a cost under \$10,000. Several of the shooting sports that use the long range have handicap participants that would benefit from the parking spots and upgraded ramp. Currently, I am writing up a grant to help fund this proposal and

look forward to your support when budget time comes around!

Are there any ladies that want to join me at the range for fun time of shooting? Let me know and we will start up a lady's group. (Thinking September 8th at 3 pm is an option) My husband and I have been going out on Thursday afternoons to shoot! Would afternoon or evening pistol shoot be fun? I enjoy sharing firearms with others and if there is something you want to try, I bet we could find it! Text me your name and phone #.

Jamie Schmidt
vp@tcgc.us 405-620-6977

Range Maintenance

Workdays this summer will be random. We will schedule around events. Please check the calendar for dates or contact maintenance to schedule your work hours or register online.

Check calendar and entrance for range closures. Some closures may be unannounced with intention of being very brief.

The Short Rifle Range backstop will be getting maintenance. The schedule of short rifle range closures will be pending weather and the availability of materials. There will be unexpected closures for the delivery of materials and earthwork.

New parking stops will be installed in front of shotgun ranges very soon.

****Long-Range Targets**** Please do not move the large target boards (100yrd) on the long-range. They have been staked.

****Shotgun Patterning Board Located at Hand Thrower Area****

Shooting at the hand thrower area is to take place at the covered area, using PVC shooting stands, and shooting downrange. NO SLUGS. If you are unclear of what down range is, please, pack up your guns and go home.

Notice-For the safety of the members and their guests and as a courtesy to all, please clean up after yourself if you have an injury or accident. Bloodborne Pathogens can cause several

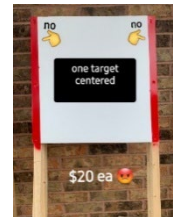

serious and potentially fatal diseases. The bathrooms have cleaning supplies available in the cabinets.

*****This message applies to the clean-up of the men's restroom toilet area. Several members have reported to the board the men's restroom condition and deemed it to be a health hazard. Restrooms found to be unsafe will be condemned until they are detailed and rendered safe to the public. Your splatter matters....**

NOTICE!! 10MPH or less Please. Volunteer workers, shooters (especially archery), and the vehicle behind you don't want a huge cloud of dust in their face or settling on their firearms and vehicles. Please slow down to 10MPH or less. Observe the cloud of dust behind you.

Do not stop at the gate when entering the club. If you stop and wait for the gate to close, when you proceed, you will trigger gate to reopen. Do not stop and block a car from following you in. Wait to identify membership after parking on range.

NOTICE on Target Placement & Cost of Materials Pistol & Short Rifle Range

One Target Centered
Never attach paper targets over or near the wooden sides of the target stands.

Randy Grotts 405-820-4707**
Tara Nelson 405-664-6549**
maintenance@tcgc.us

Safety Report

When I've been out to range past few weeks has been quiet, no surprise with our record setting temps. The forecast says breaking by the time you read this, so I hope you can get out to enjoy your range. A suggestion – if a while since you've been out, take a few minutes to review range safety rules, refresh memory. Rules are easy to access on TCGC website or in the red binders on each range.

Range Safety Officers: Several of our new RSOs have volunteered at recent events or matches – thank you. There are more opportunities coming for both new and experienced RSOs - YHEC,

Hunter Ed, Scout Camp & Shoot ... and Match Directors can always use RSO help.

Gate Access and Badges: Nothing else to discuss for safety so thought I'd share an observation. After reviewing with the Board, we felt it worth mentioning. A member observed a suspicious lady on property. When I asked if she is member, she had a "story" and soon became rather belligerent. I advised her that the club is private property and (politely) asked her to leave. But a few weeks later, during Thursday youth shoot, she was observed driving on property. The lesson here is that we need to watch for uninvited visitors and request to see their badge, if not visible. My suggestion on this is that we are a private club, we pay dues, and many of us volunteer much time for our club – so this is "our" club, don't hesitate to request badge. With that said, if you do get pushback don't put yourself in a bad spot, call McClain Sheriff if needed.

As always shoot straight, place targets at a height so that bullets impact the lower 2/3rds of the backstop and don't hit the sticks. Use and be aware of the red lights. Always be deliberate in your actions with firearms.

If you ever have any questions, issues or concerns about safety feel free to contact me.

Hazen Bazinet
Chief Range Safety Officer
405-355-2136, CRSO@tcgc.us

Military Match News

The Military Pistol, Military Revolver, and .22 is an intense round of fire consisting of 5 rounds of 10 in the Semi Category, 5 rounds of 10 in the Revolver category and 3 rounds of 10 in either PCC or .22 pistol. This discipline was started over 30 years ago by Dick Simmons as just a revolver competition. Around 2000 the semi-auto military, paramilitary, or police, was added by Walt Nagy. And in recent years the .22 and PCC have been added. The Match takes roughly 3 hours to compete with a warmup of 10 rounds. 13 rounds of 10 each.

Newcomers are welcome and encouraged to shoot whatever style or firearm they would like! Currently, the event is organized by Ed Pulver. I enjoyed my visit with the members this Saturday and they were very encouraging about joining the match.

Jamie Schmidt
Vice President

General Meeting Minutes – July 1, 2022

1. The meeting was called to order at 7:05PM by President, Mark Eriksen.
2. The previous meeting minutes were approved.
3. The Chief Range Safety Officer, Hazen Bazinet, cautioned members to be aware of the heat and to watch out for others on the range.
4. The Secretary, David Barbee, passed out Appleseed targets to members present and commented on how to use them. He reported that there will be an Appleseed event in July and members can get a discount by logging into the TCGC website and getting a code to fill out an application prior to the event. He stressed that Appleseed stressed in the dirt (no bench rest) military style shooting, however glass and optics are allowed if that meets your needs.
5. The Scheduler, Tara Nelson, reported that all is quiet. As maintenance manager, she asked that if you need to turn off or borrow a hose, please return to where and how you found it.
6. The Member at Large, Robert Powell, had nothing to report.
7. The Maintenance Manager reported that the gate is currently undergoing repair, please be patient if it is slow to open or is doing something strange.
8. Brass will be in the Stat House on the 2nd of July.

9. Ken Anderson stated that YHEC will be held on August 6th, and he is working on staffing. He especially needs muzzle loading instructors. He is also looking to staff the upcoming Hunters Education classes scheduled for November.
10. Scott Stenho reported that he will be open for business on the 2nd of July and will have several different types of ammunition and firearms for sale on East Main in Moore.
11. The meeting was adjourned at 7:15 PM.

Simm Rudnick, Acting Recorder
Transcribed by Amber Yelton

Officer Meeting Minutes – July 21, 2022

1. The meeting was called to order at 6:30 p.m.
2. The previous meeting minutes were approved.
3. Ed Lyons spoke regarding security and offered to do security upgrades at cost. He can coordinate with existing security infrastructure. He recommended installing card readers with wireless capabilities and/or issuing unique PIN codes. Members could use a PIN code, use a phone app, can purchase a card, or can rent/borrow a fob. PIN codes could be a potential problem, as they can be shared. Cards, fobs, or personal phones are less likely to be shared. Compatibility with Wild Apricot needs to be assessed. The board would prefer that entry records that contain PII not be maintained. A Knox key for fire/medical/police access is something that we may be interested in. This topic will be tabled until more information is ready.
4. A woman, who is not a member or a guest, has been driving onto the range. Members are reminded to wear their badges while on the range.
5. YHEC is coming up. Only 5 participants are signed up. The event minimum is set at 15. The minimum must be met by July 29th. Portable toilets will not be necessary if numbers are low. Bottled water will be provided.
6. Hunter Education already has 11 participants signed up. It will be held regardless of numbers.
7. Camp & shoot is coming up and was discussed.
8. Central Region Sporting Clays is coming up and was discussed.
9. Renewals will be opened on the website later this year. October is anticipated.
10. A grant is going in for handicapped parking.
11. Youth sports will not be held if the temperature is over 100 degrees.
12. The meeting was adjourned at 7:40 p.m.
