TCGC CLUB MEETINGS at 7:00 p.m.

Officer Elections Coming in December

Please consider filling a position.

*Vice President

*Scheduler

*Secretary

Two (2) year term.

TCGC 2022 MBABR Winners

We had a great turnout for the State Shoot Off with teams representing OKC, Duncan and Tulsa area gun clubs participating. Range conditions were good with many small groups and high scores recorded.

The Tri City team came out on top with a score of 1474-41X, followed by Oil Capital (1457-42X), Oklahoma City (1439-34X) and Stephens County (1332-17X).

I'd like to thank the volunteers who played a large part in making this event run smoothly - we had more help offered than we could use. From RSOs to scorers, target runners, refreshments, and event management, they made it look easy. Tip of the shooting cap to Mike Ross, Larry Melton, Gale Towery, Frank Maynard, Amy Dyer, Eric Wedge, Paul Ott and Hazen Bazinet.

Regular MBABR matches resume next month on the 12th and we look forward to seeing you there.

Steve Dyer
Director, Military Bolt Action Bench Rest, Tri City Gun Club
405-990-7799

Youth Shotgun News!

**Congratulations Jack Gustafson
(center) 25/25 in Trap! He is working
on his Distinguished Expert NRA
Marksmanship!**

General Membership Meetings November-March will be held at Goldsby Community Center. Meetings are on the first Friday of the month unless noted otherwise.

Board Meeting - November 17, 2022 at 6:30 p.m.

Tri-City Gun Club Stat House

**All TCGC matches are scheduled as usual as per their directors. All match directors are responsible for non-member match attendees. This includes all members hosting a guest(s).*

President's Report

TCGC Members

It is nice to be in the fall with cooler weather. The new target holders that have been implemented will help keep repairs to a minimum. A big AT-A-BOY to the members that worked so hard and fast to build and install them. I'm sure we will be seeing more of their work projects in the future. It sure is nice now that the renewals have been streamlined. This has been an ongoing process that will continue to improve, Thank you! to all of those involved with this over the years. We are planning on some dirt removal at the target location on the 200yd berm. This will allow more paper targets in that location.

For those that want to shoot at 1000 YARDS!!!!!! at TCGC, this takes a little work and thinking, record the muzzle velocity of your rifle using the round you want to shoot at 1000 yds. Go to a Ballistic Calculator on line and input all of the information; Bullet Ballistic Coefficient____, Bullet Weight____, Muzzle Velocity from a chronograph and YOUR rifle, not off the box of ammo____, Max Range- 1000yds, Interval- 50yds, Drag Function____, Site Height- 1.5", Shooting angle- 0, Zero Range- 50yds , Wind speed- 0, Wind Angle (Deg)- 0, Altitude _____, Pressure- _____, Temperature- _____, Humidity- _____. This will give you a chart, showing the drop of the bullet AT every 50yds out to 1000yds. The 200 yd range is the only range you will be able to do this at because you will be aiming + - twenty feet BELOW the 200 yd target. My chart shows a 194.9" drop at 1000 yds and a 4.5" drop at 200 yds. 194.9 minus 4.5 equals 190.4 equals 15.87 feet to aim below the target. You will need a quality scope that will adjust 25 MOA or 7 MILS. I would adjust my scope with a "come up" of 18.6 MOA and then aim 15.87' below the 200 yd target. If you use all the correct variables from where you will be shooting, you can trust the calculator. It is always the unknown that is the problem.

Mark Ericksen
pres@tcgc.us

Vice President's Report

NEW HANDICAP PARKING ON LONG RANGE!

Thank you to the NRA for a \$5,000 grant to help put in handicap parking! I am so excited. We really saw the need for accessible parking for volunteers and parent/guardians that had problems getting up the "hill" to the long range at Camp and Shoot.

Please be patient once this project starts. We will send an email alert on range closures. And/or check the calendar!

Our youth program is moving to the Winter schedule of only archery and shotgun! So excited! We have been averaging over 20 kids each and would not mind some extra help! Fun time helping the youngsters! Free to community youngsters 10-18 years old! Love it!

Jamie Schmidt
vp@tcgc.us 405-620-6977

Range Maintenance

More new targets will be installed on the long range. The 100yd targets have met our expectations, so far. We will be

dressing up the berms prior to installation. There may be a couple of hours of long-range closure in the near future.

We would like to thank member Chic Harrison for taking the time to complete the electrical project in the maintenance area between conex A & B. We now have power, lights, and fans. Not only does this project benefit maintenance and volunteer workers, but it has also proven to be a great staging area for the event coordinators to check out event supplies and materials, which frees up the stat house and pavilion for the participants and admin.

Work Hours

Looking for skilled carpenters!!

Be sure to register online for your work hours. We have it set up to automatically apply the \$80 discount when you have completed 8 hours. Be sure the person in charge of the event or workday checks you in.

Again, Randy and I would like to thank all of you who volunteered your time and skills to help keep TCGC an amazing gun range. P.S. Spray rig has been repaired. We will get back to fighting those pesky stickers as the weather permits.

Randy Grotts 405-820-4707**
Tara Nelson 405-664-6549**
maintenance@tcgc.us

Safety Report

I hope you've been able to get out to enjoy our range with the nice cooler weather.

Volunteers: Thanks to all who volunteered for the yearly Camp & Shoot, it was a great day and much appreciated by the Scouts and their leaders. I also appreciate RSOs who answered my requests for volunteers to support member church groups in October and November. Volunteers make our Club, RSOs help to keep it safe.

Patterning Board: If you intend to use the patterning board, be sure to review rule #13. Specifically note the limits for shot shell size on shotgun side of range and proper positioning of the patterning board.

Match Directors: Per my Oct 22nd email to you, please see minutes for October Board Meeting in this Hangfire, note requirement for new shooter briefings at all matches.

When you are out enjoying your range, please do so safely by shooting straight, placing targets at a height so that bullets impact the lower 2/3rds of the backstop and don't hit the sticks. Use and be aware of the red lights. Always be deliberate in your actions with firearms.

If you ever have any questions, issues or concerns about safety feel free to contact me.

Hazen Bazinet
Chief Range Safety Officer
405-355-2136, CRSO@tcgc.us

Claybreakers Update

Skeet Shooting Fundamentals

Since all of the DVD's have been taken from the stat house and not returned, I would like to suggest some links to check out. I had the opportunity to spend ½ a day with Todd Bender a few years ago and it was a game changer. Along with Mental Management by Lanny Basham and Visual Training Expert John Shima the shooting experience becomes quite amazing. The links are:

General Meeting Minutes – October 7, 2022

1. The meeting was called to order at 7:00 pm by Mark Ericksen.
2. The previous meeting minutes were approved.
3. The Vice President reported that we have a lot of kids coming for the Youth Shoot. We need extra volunteers, especially RSOs. Over 20 kids will be there. Ladies fun shoot is on Sunday at the Oklahoma City Gun Club. The raffle tickets are \$20 for 1 ticket, and \$50 for 5 tickets. The club received a \$5,000 grant to help with handicap parking.
4. The Secretary discussed renewals; you will be getting an email soon with information about the upcoming renewal process. Nominations for the board are open. The elections are in November.
5. The Treasurer reported that as we start the renewals, the board is finalizing the 2023 budget. If there are any items that need added to the budget, please let us know.
6. The Scheduler reported that we have brought in a lot of new dirt. Please don't shoot into the dirt piles. We also received donated backing material. October 8th is the MBABR State match. There are 4 teams. The last workday for your 2022 discount is next weekend.
7. The Member at Large reported that there are a lot of people asking to join the club and about renewals.

8. Maintenance reported that we have a lot of projects going on with the dirt. Please be patient if you see us on the range with the tractor.
9. Simm Rudnick reported that this year the wildlife department is allowing you to use your air bow during hunting season, but not during archery season.
10. Ken Anderson reported that September was a busy month for us! We had Hunters Ed and Camp and Shoot. We couldn't do it without you!
11. The meeting was adjourned at 7:17 pm.

Minutes recorded by Amber Yelton

Officer Meeting Minutes – October 20, 2022

1. The meeting was called to order at 7:00 pm. Meeting began late to accommodate a Hungry-Hungry-Recorder.
2. The previous meeting minutes were approved.
3. Wayne Bachman spoke regarding the club hosting a demonstration shooter, such as Doug Fuller. He would be willing to cover half the cost if the club is willing to find someone and cover the remaining costs. This would be a great feature for a family-day event. A range would need to be closed and a dedicated spectator area designated to accommodate a demonstration of this nature.
4. Renewals were discussed. There were very few legitimate issues reported with either the test or the renewal process. It was noted that the NRA number verification is done manually, so it could take a little bit of time for it to be processed. Three members present at the meeting reported that the entire renewal process, including uploading NRA credentials, taking the test, and paying, took less than 15-minutes. Members need to be reminded that they need to get their work hours in before they pay. Members also need to be reminded that payment is the final step in the renewal process; all other steps must be completed first, without exception.
5. A shooter used buckshot and slugs on the shotgun range and mistook a thrower cover for the patterning board. The shooter recognized his error, brought it to light, and offered to repair any damage. However, this issue does spotlight the concern that many shooters are unclear about the use of the patterning board.
6. There was some discussion about behavioral expectations of groups that use the range.
7. There is some interest in better communication of range closings and openings. These are already on the calendar. Some members want more granular, up to the minute information. We don't have reasonable means to do this at the moment.
8. Bulk purchasing of primers and other reloading supplies was discussed. The club cannot do this, but members could organize a purchasing group.
9. It was noted that guests at events must be appropriately instructed and supervised.
10. A motion was made to require new shooter orientation consisting of safety training and instruction appropriate to any guidelines held by the governing bodies of the discipline in question to be provided at all events held at TCGC. The motion was seconded and approved.
11. The upcoming bank account change and tasks to be completed during the change were discussed.
12. The club will be moving to using electronic waivers. Paper waiver forms will be discontinued once online waivers have been implemented. The club will provide tablets or other devices to accommodate users.
13. Grants were discussed. Funding for additional handicapped parking spaces were received.
14. The budget will be provided to the board and the finance committee. The club will be providing more money to youth events to make up for reduced grant funding from the NRA.
15. 70% of members have renewed.
16. A new laptop has been purchased for the secretary.
17. Amber Yelton has been made the assistant/co-recorder. She has been doing this task for some time. This is official recognition.
18. Members will only be issued one badge when they join the club. The year that the member joined will not be included on the badge, as year joined is not relevant. Consecutive years of membership does matter and will be noted on the member profile. The member ID could be included on the card, but the NRA number probably would not be included. We will not include credentials that expire. Special badges can be printed as needed, such as when changing membership levels.
19. Badges will be available at general membership meetings. The badges will not be mailed out.

20. Next year's gate codes will be issued to members monthly. Monthly gate codes will have a short period of overlap. Monthly gate codes will be a step toward rolling membership. Gate codes do not affect the use of app or fob entries.
21. Elections are due. Nobody is running opposed. An electronic ballot will be run to approve the existing board members being retained.
22. The accountant is working on the 990s.
23. There was some discussion regarding sponsoring competitive youth teams.
24. Discussion regarding allowing retired police officers to do qualifying shoots for carry reciprocity at the club. This could be hosted as a private event or even as individual guests.
25. Camp & shoot went really well. New tomahawks are in, and tomahawks went really well.
26. FFA shoot is done and went well.
27. Another RSO class is under consideration.
28. The meeting was adjourned at 9:30 pm.

Vintage Battle Rifle & AR Rifle Match - Come Join Us!

WHEN: November 19, 2022 - Sign-in at 8am, Shoot starts at 9am

Vintage battle rifle match, rifles used from WWII thru the Vietnam conflict that meet the following criteria are eligible. Rifles must be: 30 caliber, semi-automatic, and no optics. Will include the M1, M1A, M1 carbine, cetme, FAL, AK47, SKS, etc... This will be a bench rest type of match similar to the Military Bolt rifle matches. Two strings will be offhand. A sight in period of 10 minutes will precede the match.

AR rifle match, 223/556 rifles must have "iron sights" no optics or dots... the same sequence of fire as a battle match.

Both matches will run consecutively. You can shoot one or both matches. There will be a \$5 entry fee for each match. Contact G Goodnight if you have comments or questions at gergood2@aol.com. Sign up and pay via the online calendar!!
