

January 2024

HANGFIRE

TCGC REGULAR MEETINGS:

Tuesday, January 9, 2024 7pm

Tuesday, February 6, 2024 7pm
Goldsby Community Center

Meeting Locations subject to change. Online if inclement weather.

HAPPY NEW YEAR
2024!

**RENEWALS ARE DUE
JANUARY 31st!**

Pay, take quiz and sign waiver!
Gate codes will only be available
once all three are accomplished.

Be sure to update your information online! Do not pay if your work hours do not register - contact us.

Board Meeting - January 18, 2024 6:30p.m. at the Stat House
Let us know if you plan on attending. scheduler@tcgc.us

Board Meeting	3rd Thursday	6:30p	Stat House
Finance Committee Meeting	January 16	7p	Stat House

President's Report

Happy New Year Members! Hope everyone is staying well through the cold and flu season.

Remember that because of extenuating circumstances our renewal process started late. There are some members that might not have been credited their work hours in 2022, this will be verified and corrected. We are wanting everyone to get through the renewal process by Jan. 31 of 2024. If you are having extenuating circumstances like TCGC had getting this ready, let the Member-at-Large know. TCGC will get you signed up for 2024.

Be safe and courteous while on TCGC property. Thank all of those Members that give their personal time to help TCGC.

If we don't support those that fight for our freedoms, we ALL will lose them!!!

Mark Ericksen
pres@tcgc.us

Vice President's Report

Training youth and seeing the increased confidence and responsibility is such an honor. We have some great kids learning then teaching their peers.

Grant applications are being worked on for the Youth Shotgun, NRA Sportsfest, NRA Women on Target, BSA Camp and Shoot, Youth Archery, Youth Rifle and Junior Glock Team. I have submitted some applications to the NRA Foundation and will be putting some together for the Oklahoma Shooting Sports Association.

Currently, we only have the Youth shotgun and archery meeting at the club until we get more daylight hours.

Hope to see everyone at the range! Happy New Year!

Thank you!
Jamie Schmidt
vp@tcgc.us

Safety Report

I hope everyone had a great Holiday and got out to range with family and friends. I wish you and yours all the best (with safe shooting) for 2024.

Guest Waivers: A reminder that guest waivers must be completed once for each calendar year. Waivers are fully online; completion is quick and easy. Being able to bring guests with no charge is a great perk at our Club. For that, our responsibility is completion of waivers and maintaining control of our guests.

Safety Observations: As enter second term as your CRSO have been thinking about successes and areas for improvement. Success is built by many members who put safety first on all our ranges. One common observation stands out for improvement – when I or other RSOs must review rules with members or guests, often notice that other members shared the range but said nothing. So, a reminder that we all need to speak up if we see something, especially our RSOs. Call for cease fire, if necessary, provide constructive feedback about the observation, never aimed at the person. If you should ever receive feedback, think about the reason, and accept the feedback gracefully. If feedback results in conflict or “debate” about our Range Rules, I invite either Member to call, text or email.

As always - when you are out enjoying your range, please do so safely. Always heed the red lights, and always be deliberate in your actions with firearms. If you ever have any questions, issues or concerns about safety at our range feel free to contact me.

Best regards, Hazen Bazinet
CRSO@tcgc.us
For urgent Safety Issues call 405-355-2136

Range Maintenance

Gate Update

Installed new sensor and it worked great. Then the contractors came back. Use keypad until further notification. Gate will be replaced soon. The fabrication has begun. Utility project should be complete in Jan 2024.

Sporting Clays

No cars or trucks are allowed at sporting clays. If you have questions regarding sporting clays, please reach out to project leadership shotgun@tcgc.us.

Reminder: Sharing of the gate code with non-members is strictly prohibited. NO EXCEPTIONS!

Sign up for workday, projects, or event prep. Make friends while getting much needed chores and projects completed. Just let maintenance know if you have time or skills to contribute. Some skills needed are spraying (herbicides), carpentry, concrete, masonry, electrical, welding, and plumbing.

A few reminders to help keep your range awesome:

- Speed Limit is 10mph or less.
- **1 target centered** on pistol & short rifle range targets.
- Shot size allowed on shotgun ranges (and pattern board) is 7 ½, 7 steel, 8, 9. Larger shot sizes (6, 4, 2, buckshot, & slugs are only allowed on Long Range
- pistol & short-range targets should be removed from shooting range and placed in target storage behind the chain after use.

maintenance@tcgc.us

ClayBreakers

Hoping you all had a wonderful Christmas and New Year.

A lot of progress has been made on the Sporting Clays course over the last month.

- Robert Nelson and the chainsaw mafia did great work clearing out trees and brush for the stations.
- Mark Donica brought his heavy equipment skills and took care of site prep.
- Greg Sutterfield put his best crew on the restroom install.

- Chris Mooter and his crew did a great job on the septic installation.
- Mark and Tara were able to satisfy all requirements for OEC to grace us with a meter.

A big thanks to those who volunteered their time and skill to get us this far and to the contractors that made this progress possible by working together.

Triple S Systems, Ericksen Electric, Mooter Well & Septic, TNelson Enterprises, Donica Construction, Hyde Sand & Gravel, and Theck Laird (heavy equipment) all deserve a pat on the back.

F.A.Q.

Q. When will sporting clays be completed?

A. goal is 2024.

Q. How many stations & will it be open to the public?

A. 10 - Only members and their guests.

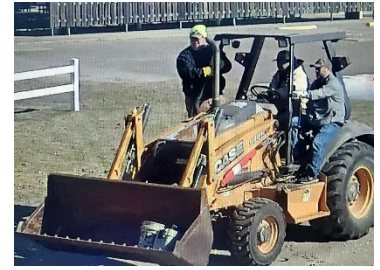

Q. What will it cost per round?

A. TBD

Q. How can I help?

A. Contact Tara at

shotgun@tcgc.us

All work in progress is supervised. If a member wants to contribute by building a shooting platform, please reach out. There is no blueprint on shooting platforms. However, we do have some specifications to adhere to for safety. Email shotgun@tcgc.us to be added to the volunteer group. Winter weather is a factor for some, so if I reach out when its -10 with 3" of ice on the ground, don't feel bad for declining the invite.

*****Do not drive your vehicle through the sporting clays area.** We have performed a lot of ground work that needs to settle. When trucks turn it into a mud bog that's another day of (billed by the hour) dirt work.

General Meeting Minutes – December 5, 2023

1. The President, Scheduler, and Secretary were absent with previous notice.
2. The meeting was called to order at 7:00 p.m.
3. The previous meeting minutes were approved.
4. The Chief Range Safety Office reported the season's greetings! We are talking about starting up a Steel Challenge Competition. It is different from Practical Pistol. This could be a good program for the Youth. There is an article about it in the Hangfire. Looking back at my first term as CRSO, the most common thing I've seen is people watching things, and not reporting, or offering to help. We also need to encourage our younger members to become RSOs.
5. The Vice President Office reported that we have had a lot of kids out at Youth Night. We can use some extra hands to help with the Youth Shotgun on December 14th at 6:00 PM. We have had the FFA out shooting with us. We have had a lot of fun. We are raffling a Henry 44 mag. The profits will go towards the Youth Program. We would love to have your support. We will draw a winner when we sell 200 tickets. Friends of NRA are trying for a spring banquet. There will be a planning meeting tomorrow night at Interurban for anyone interested.
6. A member asked about renewals. It was advised that we are having technical difficulties, and we will let you know when you can renew. No one will lose their membership if it passes your renewal date. Please check your work hours before you renew.
7. The Treasurer Office reported that we have had some people doing construction at the range. It is not our construction; it is on the power poles. They have inflicted some damage, particularly to the gate. We do have a new gate coming in. We are working on getting the exit sensor in the appropriate place. We think they might be almost finished with the construction. There will also be work from the outside of the gate to the road. There is additional work being done on the Sporting Clay range. We own all the software, counters, and throwers, but still need to do the manual labor. The primary areas we have added are insurance, utilities, and Youth Programs. Historically the NRA has been the primary contributor of ammo. They are not handing out as many grants as usual. The Club is now funding the ammo.
8. The Member at Large reported that I have received a lot of emails about renewals, again, you will not lose your membership over our technical difficulties. We will let you know as soon as they open.

9. The vote was tabulated. Budget passed; Robert Powell was elected Member at Large.
10. Kevan Riley is looking for people interested in helping with the Scouts. It's lots of fun!!
11. Shotgun will now be shooting at 3:30 on Mondays instead of 5:30.
12. The meeting was adjourned at 7:41 p.m.

Officer Meeting Minutes – December 21, 2023

1. The meeting was called to order at 7:00 p.m.
2. The previous meeting minutes were approved.
3. A member emailed the board with several questions. Answers were pulled from previous Hangfire articles and minutes. The questions and answers will be included in the Hangfire.
4. Issues with a member's guest who was not regulated were discussed. It was noted that members and guests need to be aware of the rules before coming to the range.
5. In order to maintain better overall control of the range, if there are problems or points of discussion on the firing line, RSOs are encouraged to call a ceasefire.
6. There was discussion regarding establishing lanes to allow drawing from a holster.
7. There have been a lot of questions about renewals. Emails are expected to go out shortly. New members sign-up will be set up as soon as possible.
8. Amil will be handling Sportsfest. It is planned for 84 kids. 85-100 adults will be necessary.
9. There was discussion of acknowledging with Hangfire articles members who go above and beyond.
10. The meeting was adjourned at 8:14 p.m.
