Dear Guest,

Welcome to Tri-City Gun Club. We're glad you came to visit. We appreciate all those who have an interest in, and support for the Shooting Sports. As our guest, here are a few things we want to ensure that you are made aware of.

Your Host Member is required to;

1. Review the range rules, range layout as well as transport and use of firearms before you move your firearms and shooting equipment from your car to the Firing Line.
 2. Have you sign the guest liability waiver form.
 3. If you are under 14 years old, your host member must be in direct control of your shooting activity.
 4. Remain with you at all times. If, for some reason your host must leave the firing line, you are no longer allowed to shoot and must remain behind the yellow line sitting on the benches until they return. Guests under the age of 18 are not to be left unsupervised on the range.
-

Your safety and enjoyment are of utmost importance to us. Therefore, you must acknowledge the following items.

Initials	
	1. ALWAYS keep your firearm \ muzzle pointed in a SAFE direction and never at another person. At TCGC this means firearms MUST be pointed downrange toward the berm at all times. DO NOT turn your firearm sideways on a shooting bench \ parallel to the firing line when checking, loading, inspecting, etc. and, DO NOT turn away from the firing line with your firearm in your hand!! (Unless it is unloaded, cased and you are returning it to your vehicle.)
	2. Keep your finger off of the trigger until you are ready to shoot.
	3. Only load your firearm when you are ready to shoot.
	4. Adjust your targets or shooting position to ensure your bullets directly impact the lower 2/3rds of the berm.
	5. Eye and ear protection are required any time you are under a shooting range cover.
	6. You may bring your firearms and equipment from your car up to the firing line \ shooting bench, handle and load your firearms and be at the shooting bench ONLY when the firing line is declared 'HOT' and your member sponsor says it is OK to do so.
	7. In preparation for the firing line to be declared 'COLD', you must clear your fire arms (remove all ammunition \ magazines, pull your slide or bolt to the rear and insert an open chamber indicator into the chamber), get your staple gun and targets then move behind the yellow line. When the range is declared "COLD" and the Red Lights are turned on, you must stay behind the yellow line unless you are going forward of the Firing Line \ down range to post or pull targets or pickup brass. DO NOT approach the shooting bench, load or handle your firearms or your shooting related equipment when the range is Cold and the Red light is turned on. .
	8. If you should hear the command 'Cease Fire', immediately stop shooting, put your firearm on safe and wait for your host to tell what to do next.
	9. Alcohol and drugs are prohibited on TCGC property. Shooting while impaired is prohibited.

Once again, thank you for visiting. We hope you have a safe and wonderful experience here at Tri-City Gun Club.
